Welcome to The Oasis, a picturesque paradise. Imagine walking down the aisle surrounded by cascades of palm trees, manicured grounds, and a 200' private beach. The one-of-a-kind private, heated, saltwater pool is actually built ON the Atlantic Ocean.

On premise, there are two homes, each with a full kitchen and living room.

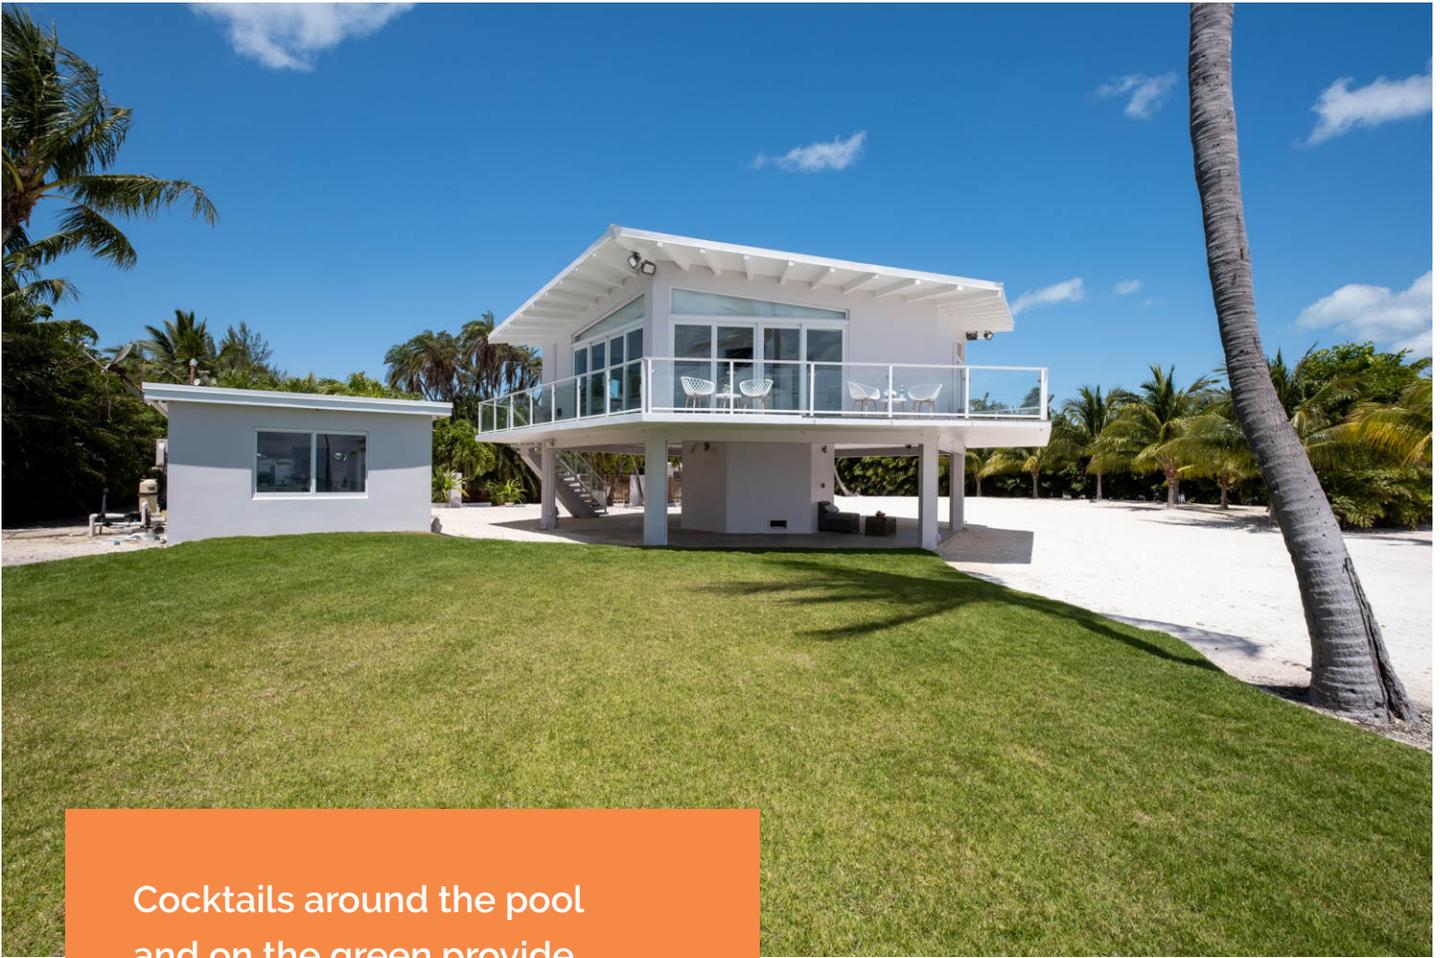

One bedroom and 1.5 baths are in the main house and 2 bedrooms and one bath is in the guest house. Amenities include 4 kayaks, 2 paddleboards, and 6 bikes. The Oasis is located in the heart of Islamorada and the art district. Enjoy monthly art walks and multiple galleries in addition to a multitude of restaurants. For the pet enthusiast, the estate is dog friendly. Each bedroom boasts 50" SmartTV, kitchens are all fully stocked with new stainless steel appliances, and countless views! You'll see why we earn 5-star reviews on all of the home rental websites. We have over a decade of experience providing short-term rentals and ensure a polished touch throughout, including walls adorned with amazing art by DBio.

You'll have use of the 3,600 sq ft tiki for rehearsal dinner, welcome and/or farewell receptions as part of your destination wedding.

Cocktails around the pool and on the green provide for added beauty.

When it is time for your nuptials, the aqua blue waters and Alligator Reef Lighthouse on the horizon with our expansive views speak volumes in your wedding day photos.

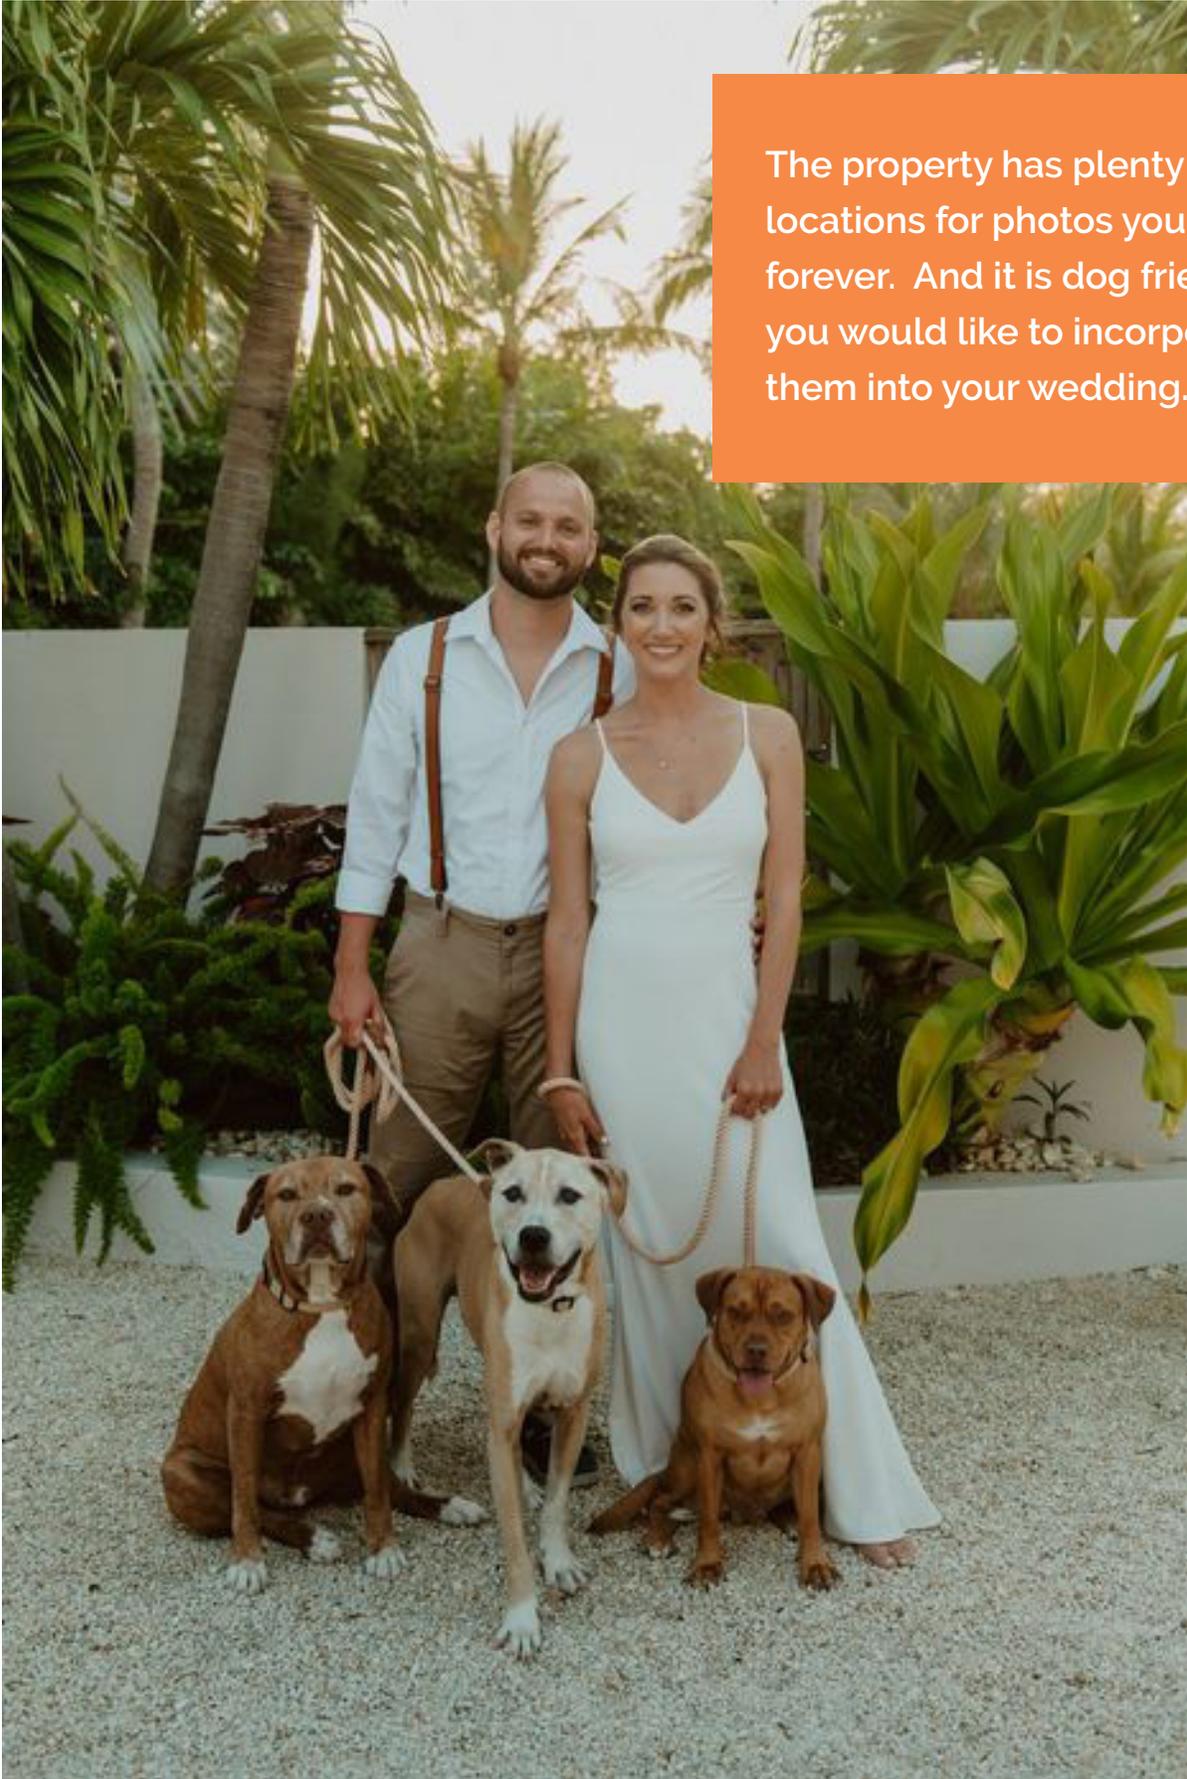

Between the ocean breeze and our professional mosquito control system (a must in the Keys), your guests won't have to worry about insects. Our enterprise-grade wifi covers our entire estate so that your memories are uploaded to the cloud without issues. And if a guest drives their Tesla here, they can charge for free while enjoying your wedding.

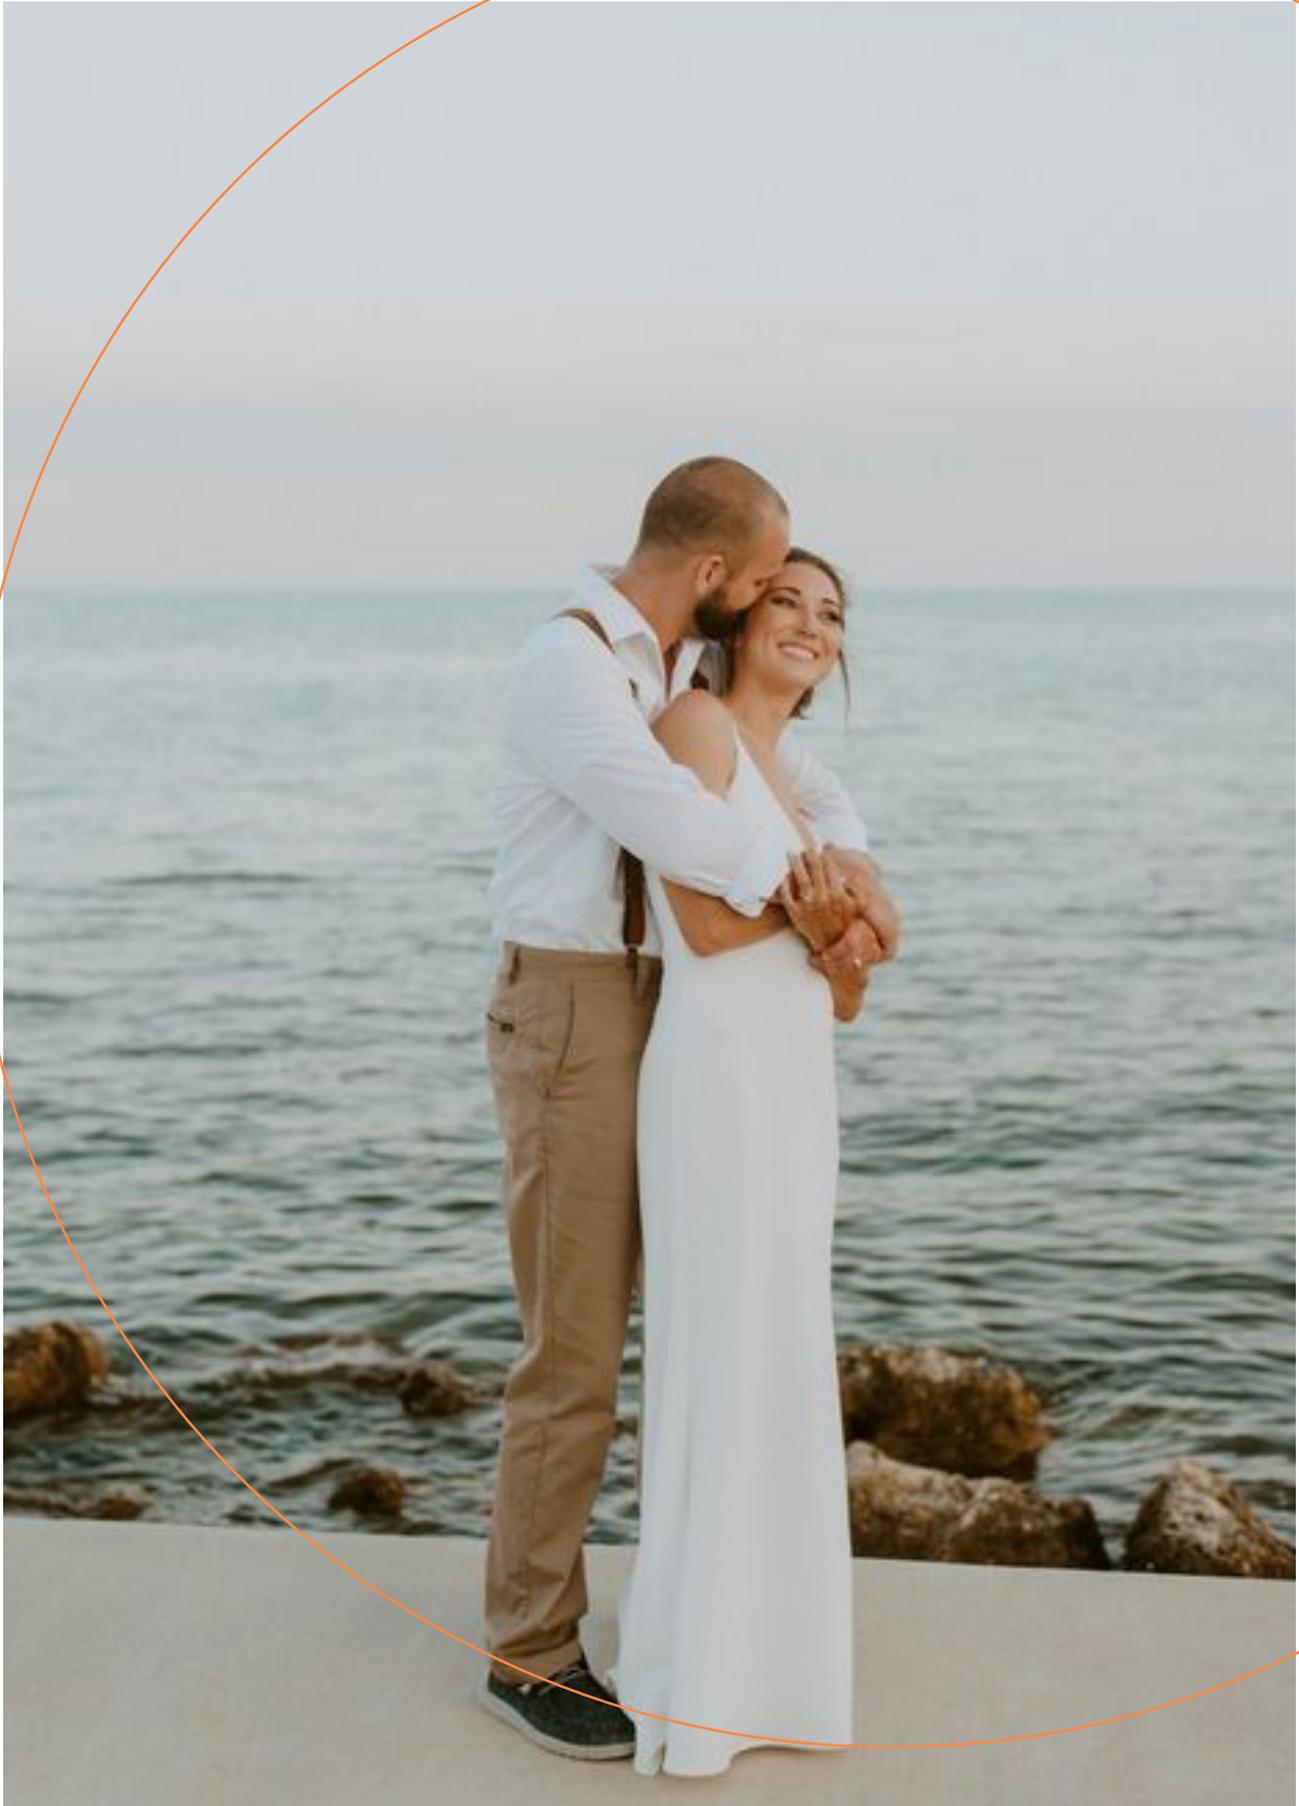

The property has plenty of locations for photos you'll cherish forever. And it is dog friendly if you would like to incorporate them into your wedding.

Our 3,600 sq ft tiki provides a more polished look than a rental tent. It is complete with custom lighting for the night and provides a more tropical look and shade from the Florida sun during the day, not to mention the occasional spots of rain.

This is your day to express yourself. The estate is your canvas; paint your special day however you like, from Bohemian themes to whimsical ones. We have many options to choose from no matter what look you envision. Select vendors based on your budget and taste; we specialize in accommodating weddings with unique dietary and/or religious requirements.

Dance the night away under the stars as your venue is yours alone until 11pm on Fridays and Saturdays, 10pm all other nights. Unlike other venues, yours is the only wedding and you have the entire day to enjoy it!

And when your guests depart, the palms are all alit for their drive home from your memorable event.

Enjoy your remaining time honeymooning in the only pool that is built on the ocean in the Keys, have dinner and/or drinks on the terrace table, or simply relax in our outdoor living room.

Spend time enjoying the sites, snorkeling and the abundant sea life.

THIS is The Oasis Experience!
